

Accessibility Policy for Vincent Brands LLC

Accessibility Commitment

Vincent Brands LLC is committed to making its website accessible to everyone, including individuals with disabilities. We strive to adhere to **WCAG 2.2 Level AA** and **Section 508** standards to ensure our content is perceivable, operable, understandable, and robust.

Standards and Guidelines

- We follow the **Web Content Accessibility Guidelines (WCAG) 2.2**, an internationally recognized set of recommendations by the W3C that help make digital content more accessible.
- Our goal is to meet the **AA conformance level**, which balances feasibility with meaningful accessibility impact.

Ongoing Accessibility Efforts

- Our site uses **semantic HTML**, clear labeling, and structure to enhance navigation and usability.
- We regularly run **automated and manual accessibility audits** to identify and correct issues.
- As updates are made, we test them for accessibility before deployment.

Known Limitations

While we strive for full accessibility, users might encounter limitations such as:

- Images lacking descriptive alt text
- Multimedia without captions or transcripts
- Complex widgets or dynamic content that may not work fully with assistive technologies

We're actively working to resolve these issues. If you experience challenges, please contact us.

Feedback & Assistance

If you encounter any accessibility barriers, don't hesitate to reach out:

- **Email:** info@vincentbrands.com
- **Phone:** 612.217.4395

Let us know the page or feature with the issue and a brief description. We're committed to providing you with equal access and support.

Policy Updates

We continually improve accessibility at Vincent Brands. This policy will be reviewed and updated periodically. Any changes will be reflected with a revised effective date.
